Free Pre-Kindergarten Classes Enrolling Now!

(Brooklyn, NY)—Bensonhurst families of 4-year-old children who are looking for a pre-kindergarten program need to look no further than HeartShare. HeartShare Human Services of New York offers a Universal Pre-Kindergarten Program for 4-year-old children. This free, half-day program has a creative curriculum featuring early math and science activities, a literacy emphasis, computers, music and movement, and a breakfast and lunch program.

HeartShare has caring, dedicated staff members who believe that every child can learn and achieve. HeartShare's early childhood programs build a strong foundation for children's future learning. This program is new to Bensonhurst, but not to Brooklyn—it spent the last 12 years in Bay Ridge.

HeartShare's First Step Early Childhood Center is located at 1825 Bath Avenue (between Bay 19th and Bay 20th Streets). Enrollment is ongoing through the summer and classes begin in early September. For more information or an application, please call (718) 238-4637 or visit www.heartshare.org.

Celebrating its 94th year, HeartShare is a nonprofit organization that assists more than 17,000 New Yorkers. Its wide spectrum of services provides counseling, after-school programs and assistance with foster care and adoption to children and families, supports people affected by HIV/AIDS, and administers energy assistance programs. It also helps individuals with developmental disabilities through numerous programs including education services, adult day programs, residential services, case management, recreation programs, family support services, and health services.
