

CARE FOR
PATIENTS
WITH COMPLEX
HEALTH NEEDS

HEARTSHARE HEALTH HOME

HeartShare Wellness Health Home is group of health care and service providers working together to help patients get the care and services needed to stay healthy.

ELIGIBILITY

Patients who are Medicaid eligible, have two or more chronic health conditions, and may face the following:

- Several emergency room or hospital visits in the past 6-12 months
- Difficulty keeping medical appointments

COST

Our services are provided at no cost to Medicaid eligible individuals.

WHAT WE OFFER

- Care coordination across health, mental health providers and substance abuse providers, as needed
- Referrals for housing options
- Connection to other benefits and community programs

To learn more, contact HeartShare Wellness at (718) 797-7322.
